Bedford Area Bus Users' Society

is Open for Business!

At long last bus users in the Bedfordshire area have a say in how their services are operated following the formation of the Bedford Area Bus Users' Society (**BABUS**).

BABUS has three main aims:

- to represent the interests of bus users in the Bedfordshire area,
- to encourage people to use buses,
- to act as a focal point between bus users, bus companies and local authorities.

BABUS is the latest addition to a growing number of bus user groups across the country.

BABUS has an interest in all bus services radiating from Bedford Bus Station and across the northern, central and eastern parts of the county.
